The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ⟶ (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ⟶ signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON the recommendation of the Honorable the Minister of Customs, and in pursuance of the provisions of the 11th Section of the Act 31 Vic. Cap. 6, intituled: "An Act respecting the Customs," His Excellency in Council has been pleased to Order, and it is hereby Ordered, that the following Regulations respecting the Coasting Trade of the Dominion, in amendment of the Regulations adopted by Order in Council of 20th July, 1869, shall be and the same are hereby adopted and established:

1st. It having been enacted by Chap. 2, Sec. 22, 32nd Victoria, that the Governor may grant yearly Coasting Licenses to British vessels navigating the inland waters of Canada above Montreal, although such vessels may occasionally make voyages to Foreign Ports, it is hereby Ordered that the Bonds to be given by the Master or Owner of such vessel, on taking out such License shall not contain the condition provided for in Section 3 of said Regulations, "that such Vessels or Boats shall not be employed in the Foreign Trade," but that it shall be a condition of such Bond, that whenever any such Vessel or Boat is employed in a voyage to or from a Foreign Port, the master or other proper officer thereof, shall report inwards and outwards, in all respects, as though he had not received such Coasting License.

2nd. Representations having been made of serious inconvenience to the Masters and Owners of Steam Vessels employed as regular packets and freight packets, between the Port of St. John in the Province of New Brunswick, and the ports of Digby, Annapolis and Windsor, in the Province of Nova Scotia, and also to the Mercantile Community of the said ports, in consequence of such Steam Vessels being obliged to report their cargoes each trip in detail, it is hereby Further Ordered, that the Collector of Customs at the Port of St. John, may grant any such Steam Vessel a yearly coasting License, subject to the same conditions as are provided in the case of Vessels trading between ports in one same Province, with the additional condition: that the Master or other proper Officer of such Steam Vessel shall be furnished with two cargo books to be used during alternate months, and that at the end of each month, he shall surrender the book used during that month to the Collector of the Port of St. John, and the said Collector shall return to him the other book with which he had that furnished, so that the record of the trade of each month shall be in the Custom House, to be used for statistical purposes during the whole of the succeeding month.
